Kent, Surrey & Sussex Air Ambulance Trust's Annual Medical Conference Innovation in Pre-Hospital Emergency Medicine

American Express Community Stadium, Brighton, Tuesday 12th July 2016

A conference for doctors, nurses, paramedics and students about how to think imaginatively, evaluate technology and effect change in pre-hospital medicine.

Following last year's Brain Injury Conference, KSSAAT presents another exciting event with wide ranging speakers challenging how we think about what we do. Subjects include using camera technology to identify head injury in professional sports; debating whether the ultrasound device will soon eradicate the stethoscope; and how Formula One race car technology may lead to better ways of monitoring the trapped RTC patient.

Cost: £95 (students £45) to include full day conference, refreshments, lunch and evening reception
Free on-site car parking and WiFi

To book, please visit <https://www.eventbrite.co.uk/e/iphem16-tickets-25543018857>

Head Office: Kent, Surrey & Sussex Air Ambulance Trust
Wheelbarrow Park Estate, Pattenden Lane,
Marden, Kent, TN12 9QJ

Registered Charity No. 1021367

Chair: Dr Malcolm Russell MBE, Medical Director KSSAAT

08:30	Registration, tea/coffee	
09:00	<i>Welcome</i>	Adrian Bell, Chief Executive KSSAAT
09:20	<i>Propeller or Impeller? Challenging our approach to innovation</i>	Jim Dawton
10:10	<i>Early detection of head injury in rugby: a role for Hawk-Eye?</i>	Col Alastair Nicol RAMC
10:40	Break – tea/coffee	
11:10	<i>Emergency Preservation and Resuscitation: how far away is ‘Suspended Animation’</i>	Dr Gareth Davies
11:40	<i>ECMO: A pre-hospital intervention?</i>	Dr Ben Singer
12:10	<i>Debate “This house believes that ultrasound will cause the death of the stethoscope in the next decade”</i>	For: Dr Mamoun Abu-Habsa Against: Dr Duncan Bootland
12:40	Panel Q&A	
13:00	Lunch	
14:00	<i>Human Factors in pre-hospital care: can we innovate with human nature?</i>	Dr Tom Evens
14:30	<i>Invent your way round the problem: The Tale of the Snoring Lady</i>	Dr Malcolm Russell
15:00	<i>The Future is Cyber-Healthcare</i>	Dr Payam Barnaghi
15:30	Panel Q&A	
15:45	Break – tea/coffee	
16:15	<i>Innovating in Rehabilitation: challenging the way we think</i>	Maj Michael Hart RAMC
16:45	<i>Innovation in pre-hospital fluid resuscitation</i>	Professor Richard Lyon
17:15	Panel Q&A	
17:30	Evening Reception and Drinks	

Keynote Session

18:20	<i>Formula 1, clever maths and medical innovation</i>	Dr Chris Crockford
19:00	<i>Innovation and Revolution in Medicine</i>	Brigadier Timothy J Hodgetts CBE
