

POSTER COMPETITION 2023

Delegates are invited to submit abstracts for the FPHC Conference Poster Competition to be presented on the 16th and 17th of March 2023. Posters can incorporate any aspect of pre-hospital care and may include audits, research, and case reports. Abstracts should be submitted by email to fphc@rcsed.ac.uk by 10th February 2023.

All entries should include the title, names of contributing authors, email address, organisation, and a structured abstract of no more than 350 words. The abstracts will be judged by executive members of the FPHC according to the following categories: relevance to pre-hospital care, originality, structured abstract within word count, impact on future pre-hospital practice, and scientific merit.

Successful authors will be notified by email by the 17th February 2023. The presenting author of selected posters will be expected to register as an attendee at the conference. Posters should be presented in paper form in a maximum size of A0 (poster or landscape) and displayed before the opening lecture.

The winning first author will receive a £100 cash prize and an RCSEd Quaich. The runner up first author will receive a free delegate pass to the next FPHC Conference.
